COMPLETION DATE

March 2009

SIZE

29,000 SF

- Historical renovation to a clubhouse that dates back to 1927.
- 29,000 SF facility holds the distinction of being the site where Sports Illustrated was founded in 1954.
- Extensive interior upfit and repairs to cracks in the basement walls, corrective work to wood beams, restoration work to stabilize the original brick pavers and foundations, and installation of 12 block piers with foundations to level the ballroom floor.
- Windows on the second and third floors replaced to match existing and original slate roof was restored.
- Commercial kitchen and multiple restrooms were renovated and two new bars were constructed.
