**COMPLETION DATE**  
November 2014

**SIZE**  
65,000 SF

- Conversion of existing 35,000 SF mall food court and a 30,000 SF theater complex in a mall to a major entertainment complex.
- Complex consists of 11 updated theatres, a 16 lane bowling area, a restaurant, a bar and a full arcade and game room.
- Work consisted of major demolition, extensive concrete additions and structural framing to allow for new stadium seating, an elevated bar and elevated bowling areas.
- Also included high-end finishes, major lighting and controls additions, extensive data and electrical work and new HVAC and plumbing throughout the complex.
- 7 month project was completed in less than 4 months.
