COMPLETION DATE

August 2009

SIZE

8,800 SF Addition
4,900 SF Renovation

- The 8,800 SF addition added 12 semi-private rooms (24 beds), one private room, a Therapy Room and Office, a Day Room, a Nurses Station with offices, one clean utility room, one soiled utility room, a janitors closet and medicine prep room. The addition is metal stud framed with pre-engineered wood trusses, brick veneer and asphalt shingle roof system.
- The 4,900 SF renovation converted eleven 4-bed rooms and one private room into 10 semi-private rooms (20 beds), multiple closets, office space, and a medical records room.
