Charleston, SC

OWNER

Rev. Michael Wright
Grace Episcopal Church
(843) 723-4575

COMPLETION DATE

July 2012 (*Structural Repairs*)
January 2015 (*Side Aisle Attics*)
April 2013 (*Bishop's Office*)

SIZE

3,600 SF (*Side Aisle Attics*)
9,882 SF (*Bishop's Office*)

Structural Repairs

The structural repairs at Grace Episcopal Church included the stabilization of the clerestory walls from damage that was sustained in the Virginia earthquake of 2011. The stabilization of the walls allowed the congregation to re-occupy the sanctuary while the project moved into Phase 2.

Side Aisle Attics

This second phase of renovations to Grace Episcopal Church includes the tying of the clerestory walls to the side aisle walls and the bracing of all side wall systems.

Bishop's Office Renovation

Interior renovation of a current classroom into the Bishop's office and his Executive Assistant's office.
